

# COPIA IL MODELLO E RIPRODUCI LE CORNICETTE

The grid contains three rows of models for copying and reproducing. The first row shows a sequence of shapes: a blue rectangle, a pink circle, a green rectangle, a pink circle, a blue rectangle, a pink circle, and a green rectangle. The second row shows two identical figures, each consisting of two red circles on top, a purple rectangle in the middle, and a red rectangle at the bottom. The third row shows two identical figures, each consisting of a blue rectangle on top, a yellow circle in the middle, and a blue rectangle at the bottom. The rest of the grid is empty for practice.
